

Kids Club

The Kids Club department offers exceptional care. On any given day, you will find many children engaged in age-appropriate activities that are fun and inviting. We are confident that you will find our department exceptionally clean, organized, bright, and cheery! We staff our rooms to meet the needs of many children from ages 4 months - 12 years old.

Parents must remain on the premises while their children are under our care. For more information contact Heather Heckroot, Kids Club Coordinator, (816) 454-2700 | Heather.Heckroot@genesishealthclubs.com

Kids Club Programming

At Genesis we are passionate about helping our members develop a lifestyle that supports their ability to reach health goals and maintain quality of life through every life chapter. We understand that it can be hard to prioritize self-care amongst the various responsibilities of parenting. Our Kids Club Team is here to help! Our team creates rhythms and routines that help children feel at home in our care and facilitate quality programming that engages children and leaves them looking forward to their next visit!

Toddler and Preschool Age Programs

Our team facilitates programming to build engagement and connection with children during their stay. Daily programs help children build confidence through knowing what to expect during their time with us. Morning Storytime and songs provide a wonderful opportunity for us to connect as a community and daily Kids Yoga Adventures are a silly and playful way for kids to get their wiggles out, while also increasing their body awareness as the instructor narrates an adventure and the kiddos follow along using body movement to tell the story.

Storytime | 9:30am

Songs | Rhythm Chants | Finger Plays | 10:30am

Kids Yoga Adventures | 11:30am

In addition to daily programs, please check-in with your local Kids Club Team to learn about special themed monthly activities!
