Daily programs help children build confidence through knowing what to expect during their time with us. Morning Storytime and songs provide a wonderful opportunity for us to connect as a community and daily Kids Yoga Adventures are a silly and playful way for kids to get their wiggles out, while also increasing their body awareness as the instructor narrates an adventure and the kiddos follow along using body movement to tell the story.

**Songs | Rhythm Chants | Finger Plays** | Fridays at 10:00am
